LOCAL EATS

Los Angeles is where big city vibes intersect with international influences, and nothing reflects that more than the awesome local restaurant inspired food options available at Banc of California Stadium. Various cultures, ingredients and food styles will be featured throughout the stadium. We currently have 11 permanent food stands and 34 mobile food and beverage carts to provide unlimited variety, value-driven options and local vendors that will resonate with all sports and entertainment fans in LA.

From Westwood, to Downtown LA to Koreatown and beyond.......the food and beverage offerings will be sourced from the LA market when possible and our chef-driven concepts will seamlessly blend with the well-known restaurants in the city.

• Legends culinary team to create signature dishes and beverages only available at Banc of California Stadium
• Robust mobile cart program to ensure menu items rotate on a regular basis
• Local celebrity chef appearances on a regular basis
• A cooperative network of local beverage, beer and wine alongside local produce, poultry and meat purveyors (which grow and raise organic, and pesticide and hormone free product)

Our commitment to local, seasonal ingredients is simple: Fresher is better. Ingredients have more flavor because they are harvested at peak ripeness, costs are lower by avoiding cross-country transportation, and the local economy benefits by supporting producers we’re proud to call neighbors. When you eat at Banc of California Stadium, you are an active participant in the radical notion that big crowds can be fed great food. Delicious is always in season in Los Angeles.

LONG GONE ARE THE DAYS OF REFERRING TO THE STANDS ON THE MAIN CONCOURSES AS “CONCESSIONS,” BUT RATHER OUR LOCAL EATS. WE NEVER CONCEDE WHEN IT COMES TO QUALITY, HENCE THE CREATION OF A CULINARY PROGRAM THAT REFLECTS THE TRENDS, COMMUNITY AND CREATIVITY OF OUR CHEFS.
